DETAILED ACTION

Amendment

1. Receipt is acknowledged of the amendment filed on October 13, 2003. Claims 40-49
5 remain for examination.

Terminal Disclaimer

2. The terminal disclaimer filed on October 13, 2003 disclaiming the terminal portion of any
patent granted on this application, which would extend beyond the expiration date of US Patent
10 No. 5,448,046 to Swartz has been reviewed and is accepted. The terminal disclaimer has been
recorded.

Allowable Subject Matter

3. Claims 40-49 are allowed.
- 15 4. The following is a statement of reasons for allowance: the claims are directed at a method
of processing products in a point-of-sales (POS) system found in retail embodiments. Many
kiosk type terminals and portable terminals for assisting shoppers are well known in the art and
gaining rapid acceptance in supermarkets and other retailers. However, the cited references,
taken alone or in combination, fail to teach a particular method wherein price information,
20 retrieved from the host machine on real-time basis, is printed at the customer price information
station so that the customer would apply the adhesive label on the items for checkout processing
as set forth in the claims.
-

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
